

# Flatt And Scruggs, Give Me Flowers While I'm Liv

In this world today while we're living some folks say the worst of us they can  
But when we are dead and in our caskets they always slip some lilies in your hand  
Won't you give me my flowers while I'm living and let me enjoy them while I can  
Pleaee don't wait till I'm ready to be buried and then slip some lilies in my hand

In this world is where we need the flowers a kind word to help us get along  
If you can't give me flowers while I'm living  
Then please don't throw 'em when I'm gone  
Won't you give me my flowers...
