

Flatt And Scruggs, Joy Bells Ringing In My Soul

Joy bells joy bells everlasting joy bells I can hear them ringing while the hallelujahs roll
Joy bells joy bells heavenly joy bells keep the joy beels ringin' down in my soul

[dobro - banjo]

One day I fell down on my knees and Jesus heard me pray

He filled me with his spirit and he washed my sins away

And then the bells of glory for me began to toll

Now Jesus keeps the joy bells ringing in my soul

Joy bells joy bells...

[dobro - banjo]

Joy bells joy bells...

It keep the joy beels ringin' down in my soul
