Flatt And Scruggs, No Mother Or Dad

Now brother and I are all alone We have no place to call our home It'll never be like home no more Till we meet them on that other shore

Oh mother dear and daddy too
We wish that we were there with you
It's not the same since you're away
We'll see you mother and dad someday.

Now mother and dad were old you know It hurt us so to see them go It's not the same since they are gone Oh mother and dad, we're so alone.

Our little home will tumble down Since mother and dad are not around What is a home without a friend? I can never go back home again.
