## Flatt And Scruggs, Wabash Cannonball

From the great Atlantic ocean to the wide Pacific shore from the green old flowing mountains to the Southbell by the shore She's mighty tall and handsome and known quite well by all She's a combination on the Wabash Cannonball Now she came down from Birmingham one cold December day As she pulled into the station you could hear all the people say There's a gal from Tennessee she's long and she's tall She came down from Birmingham on the Wabash Cannonball [harmonica]

Our eastern states are dandy so the people always say
From New York to St Louis and Chicago by the way
From the hills of Minnesota where the rippling waters fall
No changes can be taken on the Wabash Cannonball
Now here's to daddy Claxton may his name forever stand
Always be remembered in the ports throughout the land
His earthly race is over and the curtains round him fall
Carry him home to Dixie on the Wabash Cannonball
Now listen to the jingle the rumble and the roar
As she glides along the woodland through the hills and by the shore
Hear the mighty rush of the engine hear the lonesome hoboes call
Travelin' through the jungle on the Wabash Cannonball
