

Flatt And Scruggs, When The Saints Go Marching

Oh when the saints go marching in when the saints go marching in
Oh Lord I want to be in that number when the saints go marching in
[dobro]
Oh when the stars begin to fall when the stars begin to fall
Oh Lord I want to be in that number when the stars begin to fall
Oh when the saints...
[harmonica]
Oh when they crown him Lord of all when they crown him Lord of all
Oh Lord I want to be in that number when they crown him Lord of all
Oh when the saints...
