

# Flatt And Scruggs, You've Been Fooling Me Baby

I don't want you mean mama there ain't no use you're hangin' round

For I found me another baby and now I am Chicago bound

You've been fooling me baby you've been telling me your lies

When I thought you were an angel just sent down from the skies

[ harmonica ]

Don't sing those parting blues to me sweet babe when I'll leave I'll leave you sad

Now your daddy's goin' to leave you cause you treated me so bad

You've been fooling me baby...

[ dobro ]

You wouldn't give me much lovin' would I stay at home at night

Now I hear the train a comin' and I'll soon be out of sight

You've been fooling me baby...
