

Flaw, God Damn

Oh your nothing but a
That's right, your nothing but a prick, my noveistic imbosole
A stupid, my novieistic imbosole
A stupid, my novieistic imbosole
Don't point your rules at me
A stupid, my novieistic imbosole
A stupid, my novieistic imbosole
A stupid, my novieistic imbosole
Don't point your rules at me
All of your beliefs
I'm about to tell you strait up yeah
All of your beliefs
I'm about to tell you strait up yeah
All of your beliefs
I'm about to tell you strait up yeah
All of your beliefs (keep your vision away from me)
All of your beliefs
I'm about to tell you strait up yeah
All of your beliefs
I'm about to tell you strait up yeah
All of your beliefs
I'm about to tell you strait up yeah
All of your beliefs (keep your vision away from me)
Ohhhh
Ohhhh
Ohhhh
Ohhhh yeah
Goddamn
Goddamn, maybe I don't have a plan
I'm sucking up to the moneyman
Something that I will never do now
So I look
I hit him for all he took
Cuz everything I've learned in books
Has all but lied to me
I can't, no I can't understand
That I step into a land of my old man but
I can't, I won't pass away now
So I live all the pain everyday
So you can't ever say that
From you, I can't build the way
And at the time, you people are judging me
Cuz you can't be what you see
Is not anybody's fault now
Let you come fall into a religious day
Something that I really hate
In stilled, I'm by your family
Well goddamn I cannot understand
Living to your dreams left by your clan but
Like that, I won't pass away now
So I live all the pain everyday
I don't want to hear life's pathetic
From you, I can't feel the way now
I get up
I get up
I get up, now
So get up
So get up
So get up, now
I get up
I get up
I get up, now
Take my life can't take my pride
So get up

So get up
So get up, now
So get up
So get up
So get up, now
So get up
So get up
So get up, now
Take my life can't have my pride
Ohhhh
Ohhhh
So I want you to take the field with me
It's the way its got to be
We all deserve an equal match now
You overcome and form your own beliefs
Instead of listening to the pleas of innocence and apathy
(chorus)
I get up
I get up
I get up, now
So get up
So get up
So get up, now
I get up
I get up
I get up, now
Take my life can't take my pride
So get up
So get up
So get up, now
So get up
So get up
So get up, now
So get up
So get up
So get up, now
Take my life can't have my pride
Can't have my pride
Can't have my pride
Oh no oh no can't have my pride
Can't have my pride
Can't have my pride
