

# Flaw, Only The Strong Survive (Acoustic)

What makes me think that it'll all work out in the end  
Afraid to feel bad, better off to try and pretend  
I'm immortal, immune to all that is wrong  
Just keep on wishing, crossing my fingers so long  
Is this helping, I'm growing weaker each day  
Can't stop whining, still afraid of what I might say  
Or reactions that control us one and all  
It's mine, it's pure and as decent as I can make myself  
Inside, we all know, only the strong survive  
So now I'm bleeding, on myself yes once again  
Seems I trusted another deceitful friend,  
My fault should've known the deal  
Keep your friends close, but your enemy's closer for real  
Seems easy, but nothing could be so hard  
Trying to guess life's dealing what's the next card  
I'm surely folding, I don't like this hand at all  
It's mine, it's pure and as decent as I can make myself  
Inside, we all know, only the strong survive  
Maybe things happen for a reason, and where in lies the answer  
To overcome the grieving, of life's unruly lessons  
I'm handed in succession, it builds my pain which makes me strong  
It's mine, it's pure and as decent as I can make myself  
Inside, we all know, only the strong survive  
It's mine, it's pure and as decent as I can make myself  
Inside, we all know, only the strong survive  
It's mine, it's pure and as decent as I can make myself  
Inside, we all know, only the strong survive  
And you will survive,  
And I will survive,  
And we will survive.
