

# Fleetwood Mac, I Can't Hold Out

Written by Homesick James Williamson.

I just talked to my baby - on the telephone  
She said, stop what your doing and - come on home  
I can't hold out, I can't hold out to long  
I get a real good feeling - talking to you on the phone

She said, daddy you know I love you your my hearts desire, um  
Stay right here with you till the day I die  
I can't hold out, I can't hold out to long  
I get a real good feeling - talking to you on the phone  
Oh yeah

break:

She daddy you can run, walk or fly  
Stay right here with you 'til the day I die  
I can't hold out, I can't hold out to long  
I get a real good feeling talking to you on the phone

Whoa yeah, talk a to me baby  
Talk a to me baby  
Talk to me baby  
Talk a to me baby  
I get a real good feeling - talking to you on the phone
