

# Fleshgrind, Desire for Control

Unstoppable Killings  
Driven by greed and power  
A troop of desensitized soldiers

Built to abolish all  
That challenge this obdurate machine  
Emotionless murder

Audacious and indiscriminate  
It's exorbitant capacity is immeasurable  
Hundreds executed  
These devils never lie quiescent

Fueled by their rage and desire for control  
These devils never lie quiescent  
Fueled by their rage and desire for control  
DESIRE...FOR...CONTROL!!

Soldiers who terminate life  
Just as god promiscuously kills  
Just as promiscuously as life itself kills  
Just as I promise your time will come

That you will be killed! (2x)

Humanity left frightened  
And surreptitious, covert, cloaked  
In this underworld benighted

By plagues, and calamities  
Quarrels, fatal confrontations  
Devastating needs for imperium

Emotionless murder  
Audacious and indiscriminate  
It's exorbitant capacity is immeasurable

Hundreds executed  
These devils never lie quiescent

Fueled by their rage and desire for control  
These devils never lie quiescent  
Fueled by their rage and desire for control!  
DESIRE...FOR...CONTROL!!

Soldiers who terminate life  
Just as god promiscuously kills  
Just as promiscuously as life itself kills  
Just as I promise your time will come

That you will be killed! (2x)
