

Fleshgrind, Holy Pedophile

Holy priest, man of god
Filling orifices of young boys
Spewing semen, rectum filled
Raping children of their souls

Defecation covered cock
Slicing through the young boys bowels
Cries of pain, piercing screams
Grunts of pleasure, cum in you!

Holy Paedophile!

Come to the confession booth
Tell me all your sins
Take off all your clothes
God will make it better!

Holy Paedophile!

Deceiving eyes hide under the cloth
To preach the word of god
Sinister thoughts and evil doings
To the boys who believe in god

Line them up, on the altar
Bend them over make them pray
Fuck the anus, suck their cocks
Molest the boys in every way

Holy Paedophile!

Cum to the confession booth
Tell me all your sins
Take off all your clothes
God will make it better!

Holy Paedophile!
