

Fleshgrind, Libertine Atonement

Whore

Dressed for seduction

Victim of abduction

Climax as you writhe in pain

I will not let you go

From this putrid existence

Hands are cuffed, legs are spread

Plastic bag enshrouds your head

Mummified, bloody face

Missing now without a trace

Panties soaked in shit and piss

Tongue the ass and clitoris

Frantically you try to escape

Suffer now you feel my hate

Hands are cuffed, legs are spread

Plastic bag entombs your head

Mummified, bloody face

Missing now without a trace

Frantically you try to escape

Suffer now you feel my hate

Captured, bound, beaten, bruised

Your dignity is now abused

Frantically you try to escape

Suffer now you feel my hate

Captured, bound, beaten, bruised

You will now be...

..Abused...

My will to inflict such pain

Remains unfed

Another helpless victim

Another passing day...

Her pain continues unchanged

It forever remains....
