

Fleshgrind, Lurid Impurity

Lurid Impurity

Lusting for the feeling of impurity

A feeling I cannot hold back, uncontrollable

Wanting, needing, lurid impurity

Dreaming of a time when my needs are fulfilled

Embracing the feeling of impurity, my need for filth

Fulfilling.. satisfying.. lurid impurity

Looking for a victim for my needs to be violated

Sickness, in my mind, twisted thoughts, insane, they control me

Controlling every thought, every move, delving, into madness

Innocent people pray for my soul, lurid impurity

Lurid impurity

I cannot believe the thoughts that cross my mind

They make some people puke, they make me get a hard on

Insanely sick and twisted, I love it

I love it

Fulfilling... Satisfying... Lurid Impurity
