

Fleurety, Exterminators

the meal reveals its identity
the erotic turns erroneous
insomniahours fevered with springtime
magnetises even the bloodinshoe beauties
an amusementbox invaccination
the superb turns superflous
and egoeccentric pencilcramps
tornadoeye of undeserved attention

department of apocalyptic affairs
furnished with electric chairs

the faked generosity of one instant
the phallic turns fallacious
blistered bindfoldeye curses
the constant melvining of one's metabolism
obscene obsession correct relief
the call-girl turns carnivorous
relentlessly spinning the litany
we are born to be exterminators

department of apocalyptic affairs
furnished with electric chairs
