

Flexa Lyndo, Get In Touch With You

He said to me : "It's a zero, it's a lousy communication", oh yeah
A Martini Biscottino, I cannot get the right reception, oh yeah
But now it's time, it's high time, to change your mind
He said to me : "It's a zero, it's an easy participation", oh yeah
A bikini with kimono, I cannot get the right reception, oh yeah
But now it's time, ...
It's been so long, should I ever let it go?
I guess you're out
Could I ever get in touch with you?
.. and I wanna get in touch with you...
.. but I cannot get in touch with you...
