

Flexa Lyndo, Happy As You See

Everything's so big today
Big of nothing in this way
Because in this life, the end keeps us no surprise
Today the tv is my mate
That's everlasting joy, everything is fun like me
I'm happy as you see, come to the top with me
Lousy phone calls to pass the time
I'm counting my friends everyday
Because up to now, my whole life is out of size
I cannot manage to feel safe
I feel so full of life, everything is bright like me
I'm happy as you see, come to the top with me
