

Flexa Lyndo, Happyfeelsad Lovesonghymn

Don't believe that I'm sinking, I'm just having a break
There are some thoughts polluting myself, but I promise you to change
I wish I was a perfect lover, wish I was someone else

When everybody knows just what to do, I'm still here hesitating
Biggest mistake that I ever made was to believe that things could be perfect
I wish I was a perfect lover, wish I was someone else
I wish I was a perfect singer, wish I was somewhere else

Oh Baby, don't you know you're the only one, I couldn't live without this
Oh Baby, don't you know I want you back, and I promise to be straight
