

# Flickerstick, Supersonic Dreamer

She's a supersonic dreamer  
Every time I see her  
Boy you gotta meet her  
You know, she gets you down  
Sometimes i'm feelin stronger,  
Stronger than tomorrow  
Boy you're filled with sorrow ya know  
She gets you down

Cause it's the high I feel  
When I'm standing next to you  
Whoa-wo-wo

She gets you down  
And that's the way I feel tonight  
Sometimes I'm doing fine.  
And that's the way I feel tonight  
Tonight, Tonight

Well every day's a new day  
I keep hearing you say  
Everyone's alone but you  
She'll break your heart

Patiently awaitin'  
So anticipatin'  
Burnin' up inside your shoe  
She'll break your heart

Cause it's the high I feel  
When I'm standing next to you  
Whoa-wo-wo

She gets you down  
And that's the way I feel tonight  
Sometimes I'm doing fine.  
And that's the way I feel tonight  
Don't you know that she's so out of sight  
Yeah, that's the way I feel tonight  
Tonight, Tonight

She's a supersonic dreamer  
Every time I see her  
Boy you gotta meet her  
You know, she gets you down  
(Repeat)

Cause it's the high I feel  
When I'm standing next to you  
Whoa-wo-wo

She gets you down  
And that's the way I feel tonight  
Sometimes I'm doing fine  
And that's the way I feel tonight  
Don't you know that she's so out of sight  
Yeah that's the way I feel tonight  
Tonight, Tonight

(repeat 'tonight' along with 'supersonic'  
in the background)
