

# Flight Of The Conchords, Bret You've Got It Goin'

Hey there, Bret  
I see you looking down  
Don't want to see my little buddy there with a frown  
Just because I get more women than you  
That's only because they don't know you like I do.  
Sure, you're weedy and kinda shy  
But some girlie out there must be needy for a weedy shy guy.  
They want you as a needle when they're rolling in the hay.  
Just hear me out when I say

Bret, you got it goin' on.  
The ladies get to know your sexuality  
When they get to know your personality.

I said, Bret, you got it goin' on.  
Not in a gay way  
Just in a hey, mate,  
I want to say that you're looking okay, mate.

Why can't a heterosexual guy tell a heterosexual guy  
That he thinks his booty is fly?  
Not all the time, obviously  
Just when he's got a problem with his self esteem  
Don't let anybody tell you you're not humpable  
Because you're bumpable  
Well, I hope this doesn't make you feel uncomfortable  
If I say you've got a boom o wow  
Come on, Bret  
Help me out now  
Bret you got it goin' on.

I got it goin' on.  
That's the conclusion that I've come to  
But that doesn't mean that I want to bum you.  
Bret, you've got it goin' on  
Got it goin' on

No doubt about it

We'd be getting crazy  
If one of us was lucky enough to be born a lady.  
Oh, if one of us was a lady  
And I was your man, if I was your man  
Well, sometimes it gets lonely  
And I need a woman  
And then I imagine you with some bosoms  
In fact, one time when we were touring  
And I was really lonely  
And we were sharing that twin room in the hotel  
I put a wig on you when you were sleeping  
Put a wig on you  
Ooh ooh ooh  
And I just laid there and spooned you  
Bret, you've got it goin' on
