

Flight Of The Conchords, Business Time

sigh

Girl, tonight we're gonna make love. You know how I know? Because it's Wednesday. And Wednesday

It's business.

It's business time.

I know what you're trying to say you're trying to say it's time for business it's business time. Ooh!

It's business.

It's business time.

(Jermaine makes some moans)

Then we're in the bathroom, brushing our teeth. That's all part of the foreplay. I love foreplay...

a-Chicka-chicka, a-chicka-chicka, a-chicka-chickow-ow-oww!

Then you sort out the recycling. That isn't part of the foreplay process but it is still very important. N

I remove my clothes very, very clumsily, tripping sensuously over my pants. Now I'm naked, except

It's business.

It's business time.

You know when I'm down to my socks it's time for business that's why they call it business socks.

It's business.

It's business time.

Oh. (More moans)

Ooh, makin' love.

Makin' love for...

Makin' love for two...

Makin' love for two...minutes.

When it's with me, girl, you only need two minutes, because I'm so intense. You say something like

It's business.

It's business time.

Business hours are over, baby.

It's business.

It's business time.

(More moans, with Yeah-ah! at the end)
