

# Flight Of The Conchords, Frodo\*

Frodo, dont wear the ring  
I know its very tempting  
Yes, you will appear to disappear  
But the dark riders, theyll know youre there  
Yes! Lord Sauron has many spies  
Many spies have many eyes

One ring to find them, to bind them  
One ring to rule them all  
One ring to find them, one to bind them  
One ring to rule them all  
Yeah, yeah, yeah, yeah  
Youve got to rule them  
Youve got to rule them with the ring  
Frodo, rule them with the ring

Lord Sauron has many spies, beasts and birds  
I am not a conjurer of cheap tricks (b-b-beasts some b-b-birds)  
Do they, Gandalf?  
If you want him, come and claim him!

Merry! Pippin!  
G-g-gandalf  
I'm alright, I was saved by a giant eagle  
G-g-giant eagle!

One ring, one ring  
You have my sword  
And my bow  
And my axe (giant eagle!)

Yo Frodo, what you doin wearin' the ring?  
All-powerful jewelery, is that your new thing?  
I know its hard when youre little more than 3 foot 4  
Your little ass so close to the floor  
Trying to lead the fellows to the gates of Mordor  
The fellowship (yeah, the fellowship)  
I dont rap about bitches and hos  
I rap about witches and trolls  
Just passing on the words of the Elven king  
Wisdom to all  
Frodo, dont wear the ring!

Frodo dont wear the ring  
Youll never be the Lord of the Rings  
Dwarves, elves, human beings  
Don't know what it is, it's the Lord of the Rings
