

# Flight Of The Conchords, I'm Not Crying

So, you're leaving? I can tell.  
Because I can see you leaving...  
But if you're trying to break my heart  
Your plan is flawed from the start  
You can't break my heart, it's liquid  
It melted when I met you  
And as you leave  
Don't turn back to me  
Don't turn around and see if I'm crying  
I'm not crying (not crying, not crying...)

I'm not crying  
It's just been raining on my face  
And if you think you see some tear tracks down my cheeks  
Please (please) don't tell my mates

I'm not crying  
No, I'm not crying  
And if I am crying  
It's not cuz of you  
It's because I'm thinking of a friend of mine who you don't know who is dying  
That's right, dying  
These aren't tears of sadness because you're leaving me  
I've just been cutting onions  
I'm making a lasagna  
For one  
Oh, I'm not crying  
No

There's just a little bit of dust in my eye  
That's from the path that you made when you said your goodbye  
I'm not weeping because you won't be here to hold my hand  
For your information there's an inflammation in my tear gland  
I'm not upset because you left me this way  
My eyes are just a little sweaty today  
They've been looking around  
They're like searching for you  
They've been looking for you  
Even though I told them not to  
These aren't tears of sadness  
They're tears of joy  
I'm just laughing  
Ha ha ha-ha ha

I'm Sitting at this table called love  
Staring down at the irony of life  
How come we've reached this fork in the road  
And yet it cuts like a knife?

I'm not cryyyyyyyyyying  
I'm not cryyyyyyyyyying  
I'm not cry-y-y-y-y-y-y-y-y-ying
