

Flip N Fill, Discoland

We're up up up & away where the music is my fantasy
Take me up up up & away where fantasy turns to reality.
Oh time take my hand & lead me to the discoland
So I can do all the things I've been longing to do ohhh.
Let me hear you sing now'

Hey hooo, hey hey hey hey hey,
Hey hooo, hey hooooo!

Hey hooo, hey hooooo,
Hey hooo, hey hooooo,
(Discoland)

Guide me. lead me. Just you take good care of me.
Now the music is happening I want everyone to be free & easy.
Time take my hand & lead me to the discoland
So I can do all the things I've been longing to do ohhhh,
Let me hear you sing now'

Hey hooo, hey hey hey ,
hey hooo, hey hooooo

Hey hooo, hey hooo

We're up up up
