

# Flip, New Glory

When you're lonely late at night  
Or when you dance with other guys  
But later come to me sayin' that you  
Need a real man  
I Get that message now everything's OK

So will you let me know  
This things I know for sure  
When will you let me know?

We've know each other for a long time  
So It's , time to change the things  
A simple word could make me happy so  
Let's live this fantasy  
Did you get tha message?  
Is everything OK

So many times  
So many things  
That I didnt say  
Maybe it's to late
