

FlipBoy, Open House (Freestyle)

I bust some rhymes, I write some lines,
Then at night, I party at 9 til sunrise,
I meet the firts chick and I know she sucks dick
Open house with CMF, ye that's my click,
I pick-up line this bitch, U holla atcha,
She gets beside me and U make her drink vodka,
I take her upstairs to the parents bedroom,
She gets undressed, she knows we gon fuck soon,
She unzips my pants and she sucks my dick,
She knows she ain't gon cum that quick,
So I lay her on her back and she spreads, what a hoe,
I insert my dick in that pussy and the bitch goes: "AHH!"
