

# Flipper, Fucked Up Once Again

Oh oh oh fucked up once again  
No more rivers of blood  
Taking over my dream of love  
Feel a bit of poetry in my life  
But it all could change in just one night

Oh oh oh fucked up once again  
No more rivers of blood  
Taking over my dream of love  
Feel a bit of poetry in my life  
But it all could change in just one night

Reoccurring nightmares disturb  
Everyone who let's them occur  
The very same is true in life  
So shed a little light to make it all right

Oh oh oh fucked up once again  
No more rivers of blood  
Taking over my dream of love  
Feel a bit of poetry in my life  
But it all could change in just one night

Seems some lessons are not learned  
Repeat the course or you'll return  
Back to the part that was left out  
Pieces of the part thrown all about

Oh oh oh fucked up once again  
No more rivers of blood  
Taking over my dream of love  
Feel a bit of poetry in my life  
But it all could change in just one night

Looks messed up once more again  
Can't cover it up won't pretend  
Have to return to a new start  
Pick another direction  
Now comes the hard part

Oh oh oh fucked up once again  
No more rivers of blood  
Taking over my dream of love  
Feel a bit of poetry in my life  
But it all could change in just one night

Fucked up never again
