

# Flo Rida, I Don't Like It, I Love It (ft. Robin Thicke)

[Robin Thicke:]

I don't like it, I love it, love it, love it  
So good it hurts  
I don't want it, I gotta, gotta have it,  
When I can finds the word I just go  
I don't like it, no, I love it  
I don't like it, no, I love it

All out, turn the beat up  
Hey now I'm glad to meet ya  
Turn up girl, blow the speaker  
Yeah up, think about it now, blow the speaker  
I'll speak louder, let's get wild tonite  
Billionaire bottles, we just down em like  
Ain't no problem, all my roads are right  
All right, all right

I don't like it, I love it  
I got another comin' in my budget  
I got a anaconda in my truck fit  
Don't push it, don't push it  
Cause I'ma hit it til I jackpot, that's right  
Wax on baby wax off, act right  
You can put it on the black card, all night  
And I'll spend it, I'll spend it cause

[Robin Thicke:]

I don't like it, I love it, love it, love it  
So good it hurts  
I don't want it, I gotta, gotta have it,  
When I can finds the word I just go  
I don't like it, no, I love it  
I don't like it, no, I love it

All night, let me group ya  
Dance with me, turn down for who girl  
Another runner help us step the moves up  
Yeah bet that round need a measure or ruler  
Celebrate life and I'll pay for it  
That Cavalli nice next to my Tom Ford  
Yeah party all night, let's all aboard  
Let's all aboard, all aboard

I don't like it, I love it  
And them other girl they can't touch it  
Competition, that's a whole nother subject  
I wanna walk it out in public  
You a star baby, just know, let's go  
To the mansion or the condo, let's go  
Perfect time gotta let it flow, you know  
I'm watching, I'm watching, cause

[Robin Thicke:]

I don't like it, I love it, love it, love it

Feel the base, let ya booty go
