

Floaters, You Don't Have To Say You Love Me

Baby, you know I can't believe that you're not here
But it's so lonely without you
Everybody should have someone to cuddle up close to and hold him tight
I, I've got to find you
Wherever you are I want you come back
I, I, I need you baby
I, I, I, I want you baby
Aaah... I just long holding you in my arms
Dear, come back. You, you, you don't have to stay
You don't have to say you love me, just...
Come back to me
Please, please, just listen...

When I said, girl, I needed you
You said you would always stay
It wasn't me who changed, but you
And now you've gone away

Don't you see, girl, that now you're gone
And I'm left here on my own
Then I have to follow you
And beg you to come home

You don't have to say you love me
But just be close at hand
You don't have to stay forever
I will understand
Believe me, believe me
I can't help but to love you
Girl believe me, I'll never tie you down

Left alone with just a memory
Life seems dead and quite, quite unreal
All that's left is loneliness
There's nothing left for me to feel, feel

You don't have to say you love me
But just be close at hand
You don't have to stay forever
I will understand
Believe me, believe me.

You don't have to say you love me
And I'll understand
And you, you don't have to say you need me
Girl I'm your man
So believe me
Please believe me, babe
(You know what) I'm your man baby
I'm your man baby
I'm your man baby
I'm your man, man

Take my hand baby
Take my hand baby
Understand baby
That I'm your man

Lean on me baby
Lean on me baby
Yeah.
Yeah.
