

# Flobots, No W

Lets get it poppin now  
Obnoxious, never stoppin now  
Nobody's got a shot cuz we lock it down we're  
not just a rock around the clock  
This'll drop you down  
notches

The proper noun's FLOBOTS  
When we tic toc the hip hop  
get's toxic thought's drip drop lips spittin like a faucet  
He goes for the shot! Jonny blocks it  
Watch this as I lift up in Jonny's rockets.  
So get off this topic and stop lickin off this plate  
Synopsis we're takin it back  
When the Flobots hit the stage it's a wrap  
and it goes

FLO (No W) BOTS yes  
Unstoppable like a tropical disaster  
Denver Colorado where the water boils faster  
FLO (No W) BOTS yes  
and the crowd start panickin  
cuz they don't know how to act like Anikin

Man you can give me anything  
and I'll improve it  
Use it to make good music fuse it  
together with a click  
From the bottom of a stick  
Now we got another quick beat automatic hit  
feet step to the sound that I manufacture  
The slickness that I make a  
plan to capture  
Can I get a witness?  
Till you slam and slap your wrists  
Bringing down the house  
Dammit that's the fifth time  
that you had to get it  
scanned for fractures  
Hospitalization  
rock the nation

Possible litigation against me  
But don't tempt me  
Jonny fee fi fo fum  
Cuz he's liable to pummel all rivals  
Leave you guys with no thumbs on the bible I swear!  
Can't summarize what he's done  
Twiddlers run

Chances of survival are little to none  
We never play second fiddle...  
to some dumb chump that wants nothing but to piddle and piss,  
giggle and spit, get twisted and  
sip crys with little misses & mr. men  
sad mad strong bad double fistad when I fight foes I explode nitroglycerene

FLO (no w) BOTS yes  
A little bit of this a little bit of that  
We do it for the dot in the middle of the map  
Guu pa  
We got it covered  
That's a wrap  
Makin paper

Cuz we keep on rockin it  
Something to count on like an abacus  
we get down underground like a platypus
