[Verse 1:]

Time Was Right
The Vibe Was Right
Ready To Get Into U All Night
Wasn't Really Into Puttin Up A Fight
I Let U Do Your Thang
And Your Game Was Tight
Funny As I Seem To Have A Ball Wit U
Wanted To Do Fancy Things And All Wit U
Caught Up In The Middle Of Dependency
Still I Let U Get The Best Of Me, Best Of Me
Never Really Wanted To Be Wit U
Im Just Tryna Be Honest
I Didnt Even Care For The Things That U Do
Im Just Tryna Be Honest
I Never Really Wanted To Give
My Love Away
Just Tryna Be, Honestly,
U And I Could Never Be
So Ima Have To Lovin' Me

[Hook:]

Dont U Take It Personal
Said Baby
Mr Messed Up I Shoulda Known Yeah
Yes U Gussed It
Ooo La Its Ova
Dont U Take It Personal
Said Baby
Mr Messed Up I Shoulda Known Yeah
Yes U Gussed It
Ooo La Its Ova

[Chorus]

[Verse 2:]

Wasn't It The Same Thing Last Night
Tryna Be The Bigger Somethin'
On My Mind
Freakin' Undercover
Under Moon And Stars
Ya Couldn't Get In Wit From Here To Mars
Funny As I Seem To Have A Ball Wit U
Wanted To Do Fancy Things And All Wit U
Caught Up In The Middle Of Dependency
Still I Let U Ge The Best Of Me Best Of Me
I Neverreally Wanted To Be Wit U
Im Just Tryna Be Honest
I Didnr Even Care For The Things That U Do
Im Just Tryna Be Honest
I Never Really Wanted To Give

My Love Away
Just Tryna Be Honestly
U And I Could Ner Be
So Ima Have To Lovin' Me

[Hook x2]

[Chorus]

[Verse 2:]
I Rolled Dice And Broke Ice Wit U
True I Felt That I Wanted To Be Known By U
But Now I Know U Said Im Worried
That I'll Fill For U
And As I Know That
Yo Im Worried Bout The Things We Do
Now Mr Messed Up
I Been Here Before
See With Anotha Brotha
That I Woulda Died For
And As U See We're Not Together Anymore
It's Got To Be The End
Its My Call
Take It Personally

[Hook]

[Chorus]
