

# Flogging Molly, Death Valley Queen

Death valley queen, where have you been?  
Since they crowned you in glory  
Filled your head with dreams  
But it still goes to show  
In every desert there's a rose  
That's blooming for all to be seen

I remember you well  
From that town you did dwell  
With the face of an angel  
In a dump hot as hell  
When I asked for a kiss  
You kindly dismissed  
So I led my poor heart to the slaughter

Tell me, dear, what did you fear?  
I'd do you no wrong, though no stranger to sin  
So death valley queen, go marry your king  
Or an old maid you'll end up for certain

Off I did set, on my trail of regret  
Where I thought of you now in your castle and crown  
So I found me a whore with a face just like yours  
After several gallons of porter  
When I awoke, she had scarpered, I was broke  
Laying cold in the bed with a whale for a head

So death valley queen, go marry your king  
Or an old maid you'll end up for certain

Then the ball dropped, why, everything fell by the way  
As your teardrops were falling, I forgot to say  
That I have always loved you  
Yeah, I have always loved you  
Yeah, yeah I, I have always loved you

When I returned, downtrodden and burned  
There were billy goats grazing  
Where once you'd be found  
So I hung out to dry  
On this limb for a lie  
Take me back, for I'm cursed on the mainland

Tell me, dear, what did you fear?  
I'd do you no wrong, though no stranger to sin  
So death valley queen, go marry your king  
Or an old maid you'll end up for certain

So death valley queen, go marry your king  
And a-roving I'll end up for certain
