

Florence & The Machine, Drumming Song

There's a drumming noise inside my head
That starts when you're around
I swear that you could hear it
It makes such an all mighty sound

There's a drumming noise inside my head
That throws me to the ground
I swear that you should hear it
It makes such an all mighty sound

Louder than sirens
Louder than bells
Sweeter than heaven
And hotter than hell

I ran to a tower where the church bells chime
I hoped that they would clear my mind
They left a ringing in my ear
But that drum's beating loud and clear

Louder than sirens
Louder than bells
Sweeter than heaven
And hotter than hell

Louder than sirens
Louder than bells
Sweeter than heaven
And hotter than hell / x2

As I move my feet towards your body
I can hear this beat it fills my head up
And gets louder and louder
It fills my head up and gets louder and louder

I run to the river and dive straight in
I pray that the water will drown out the din
But as the water fills my mouth
It couldn't wash the echoes out
But as the water fills my mouth
It couldn't wash the echoes out

I swallow the sound and it swallows me whole
Till there's nothing left inside my soul
As empty as that beating drum
But the sound has just begun

As I move my feet towards your body
I can hear this beat it fills my head up
And gets louder and louder
It fills my head up and gets louder and louder

There's a drumming noise inside my head
That starts when you're around
I swear that you could hear it
It makes such an all mighty sound

There's a drumming noise inside my head
That starts when you're around
I swear that you could hear it
It makes such an all mighty sound

Louder than sirens
Louder than bells

Sweeter than heaven
And hotter than hell / x2

As I move my feet towards your body
I can hear this beat it fills my head up
And gets louder and louder
It fills my head up and gets louder and louder
