

Florence & The Machine, Light Of Love

and i came to
walking on the train tracks
how did i get here?
and how do I get back?
I've been up all night
let's stay awake
push it further,
you know I'll never break
at some point in the party I thought my heart was failing
you said: hey, you're ok
You seem to be still standing
flashes appeared at the corner of my eyes
I saw the stars and I didn't ask why
heard the voices and i caught my breath

so close and yet so far from death
so close and yet so far from death
so close and yet so far from death

well the feeling was always too much for me
it always came too strong
I wanted to get it right so badly
that I always got it wrong
so you keep pushing on
you hope it won't be long
till you could find the child you were
and find a way to get along
