

Florence & The Machine, Moderation

Want me to love you in Moderation
Do I look Moderate to you
sip it slowly and pay attention
I just have to see it through
you got me looking for validation
that's just me and you
want me to love you in moderation
who do you think you're talking to

..
little girl, who do you think you are?
you think you need it
you think you want love
you wouldn't want it if ...

Moderation

I never made it with Moderation
no, I nevber understood
all my tfeeling was all or nothing
but I took everything I could
can't hold back
I can't take the tension
I am trying to be good
want me to love you in Moderation
well donb't you know
I wish I could

..
little girl, who do you think you are?
you think you need it
you think you want love
you wouldn't want it if ...
