

Florence & The Machine, Third Eye

Ordinal life style /3x
There's a shadow over you
There's shadow every where

...
And I can see in in my third eye

Hey, look up
You don't have to be a ghost

..
You are flesh and blood!
And you deserved to be love
And you deserved what you had given
How much!
There's a hole where your heart lies
I can see it with my third eye
