

Flower Pot Men, Beat City

Beat city now now
Beat beat
Beat city now now
Wooo ooo hooo

Beat city now now
Beat beat, beat beat
Beat city....I'll watch you tumble down.

Going to America
Roll your hands in....policies
I love it when you smile
I love it when you....
Sing sing sing, sing sing, sing...

Going to rot your hand
Put some dollars down....wild.
When it takes you by surprise
I'll be there to watch you....

Run, run run, run run
Run, run run, run run
Run, run run, run run
Run, run run...

Beat city
Beat beat
Beat city now now
Wooo ooo hooo

Beat city now now
beat beat, beat beat

Beat city
I watch you tumble down.

Going to....crush your mouth
close your eyes, goodbye, is out
To the memory, I do hold
Where you go, I don't know
Well don't say nothing....it's not real
A flaming heart....the heart full of fear
I traded down....that old heartache of mine.

Beat city
Beat beat
Beat city now now
Wooo ooo hooo

Beat city now now
beat beat, beat beat

Beat city
I watch you tumble down.

Beat city
Beat city
Beat city now now
Beat beat, beat beat

Beat city
I watch...

Beat city

Beat beat
Beat city now now
Wooo ooo hooo

Beat city now now
Beat beat, beat beat

Beat city
I watch you tumble down.
