

# Flowing Tears, Godless

Walk on my rainchild  
so pure and waiting for the dawn  
walk on my rainchild, to god

Go on my redsky  
so sure and longing for your spawn  
go on my deadsky, my god

Rape me but it's not worth dying for  
Blame me on your walk outside my door  
Hate me see it's all you love me for  
Feed me I'm the god you were before

So cry a sad smile  
as frail as morpheous and sweet  
so cry a dead smile to god

Rape me but it's not worth dying for  
Blame me on your walk outside my door  
Hate me see it's all you love me for  
Feed me I'm the god you were before
