## Flowing Tears, Merlin

Merlin, the sea, lunar delight Merlin, my dear uranium bride Merlin, my birth, my solar grenade Merlin, so real, is what I elate come and get me'

And we dive away now' utopian grey now!

Merlin, my fear, my cosmic perfume Merlin, the seed, the snake I consume Merlin, my sin, my Lilith in flames take me away on luminous train come and get me'

And we dive away now' utopian grey now!

Merlin try to break me, take me, hate me Merlin try to haunt me, be my sun

And we dive away now' utopian grey now!
