

# Flowing Tears, Words Before You Leave

Cross me,  
Possess me,  
Cause failure is my name.

Guard me,  
Protect me,  
And out of the dark comes the pain.

Trust me,  
Inhale me,  
Rejection is the game.

Drown me,  
Escape me,  
And out of the dark, we arise.

Father,  
Come guide me,  
To heaven high above...

Mother,  
Don't blind me,  
In darkness I once rose...

I pray for you,  
In words before you leave.  
Someone will pray for you,  
In worlds of no believe.  
I pray for you,  
The words impure to speak.

Hate me,  
Forsake me,  
For certain is my fall.

Still me,  
Mislead me,  
And out of the cold, we arise.

Father ,  
Come hide me,  
From heaven high above...

One day,  
You'll find me,  
In paradise unborn..

I pray for you,  
In words before you leave.  
Someone will pray for you,  
In worlds of no believe.  
I pray for you,  
The words impure to speak.
