

Flunk, I Love Music

(sample)
Music... Music...

Ever since I can remember,
I've always loved music.
You know
I didn't know anything about these titles
until I started dealing with people like you - the media.

And they started givin' it names...
Rock and Roll, Rhythm and Blues, Jazz

There's only two kinds of music
Good and bad

I love music
Music
I love music
I love music
Music
I love music
I love music
Music
I love music
I love music
I love music... music
