

# Flunk, Kemikal Girl

Choosing  
Losing  
Finding my way throught the rain  
Losing  
Choosing  
All of my thoughts go insane

Choosing  
Losing  
Finding my way throught the rain  
Losing  
Choosing  
All of my thoughts go insane

And I cant go  
Where I want to  
And I cant go  
Where I want to

Choosing  
Losing  
Finding my way throught the rain  
Losing  
Choosing  
All of my thoughts go insane

Finding my way through this lonely place  
Its just a rainy daze  
Finding my way through this lonely days  
Its such a rainy place

And I cant go  
Where I want to  
And I cant go  
Where I want to

Who would dare to bring me love  
Who would dare to bring me love  
Who would dare to bring me love  
Who would dare to bring me love
