

Fly Project, Butterfly (feat. Andra)

I'm, I'm gonna find you
Hold on, hold on
I need another reason
To come back home

I'm hiding when I cry
Lonely butterfly
Bye bye lullaby
I'm crying, I'm dying
Hiding when I cry
Lonely butterfly
Bye bye lullaby
I'm dying, ye eee

My life is an ocean
It comes and goes
I'm taking a highway
That no one knows

Call me when I'm gone, ye ye yeah
I'm leaving on my own, ye ye yeah
Dreamer on the road, ye ye yeah
The final episode

Hello, hello
I've been wondering if you're alone
Hello, hello
Are you hiding?
Are you moving on?
