(rap) now i'm faced with a dilemma me and them-a
partin' ways and-a
it's a cryin' shame that my house ain't no home
my partners avoid me like taxes
said i be flakin' too much
that i be MIA too much
my girl moved back to her momma house
left me askin', "what's it all about"
so now it's - 1, 2, 3
my crew and lady just shook the scene
on the corner of sixth and broadway
wastin' a sunday
oh boon jjeun eun na reul duh gi da ryuh jool soo ee gae ni?
