

# Fly To The Sky, Naegen Nomoo Yeppun Kudae (

I only watch

I only wait

I didn't think that she was right for me

I thought that I wasn't good enough

That I didn't deserve her love

Like we're being pulled by that miracle

Let's keep that feeling that found it's way to us

I was really thankful you make me happy (you make me dream)

I can't say it but your eyes that watch me

Sometimes when I feel like I'm so mad that I loose my laughter

You are really so beautiful to me

Girl, know you have everything you need

And know I'm not good enough for you,

But I just want you to know that I love you

Are you happy like I am right now?

Thank you so much, we have tomorrow
