

# Fly with me, Fly with me

Fly with me to the stars tonight  
to the palce behind the sky.  
Fly with me to the stars tonight  
music take us high.  
Fly with me to the stars tonight  
to the palce behind the sky.  
Fly with me to the stars tonight  
music take us high.  
Fly with me .. to the sky  
To the sky  
Fly with me, fly with me, to the sky  
Fly with me  
Fly with me to the stars tonight  
to the palce behind the sky.  
Fly with me to the stars tonight  
music take us high.  
Fly with me, fly with me .. to the sky
