

Flying Blind, Interesting Man

No One will fully understand what is really going through my head
Not you not even me.

Everyone tries to criticize and tell me what's up don't they realize? I don't need therapy. I kinda like
Cause I don't have to explain my ways. My state of mind gets me through my days. So don't tell me
I'm tired of hearing authority always screaming and coming down on me. Go away don't cross the line
Cause I don't have to explain my ways. My state of mind gets me through my days. So don't tell me
Don't care what you say there's no way to change my mind..
