

Flyleaf, Cassie (Demo Version)

I will say yes!

The question asked in order
To save her life or take it,
The answer no to avoid death,
The answer yes would make it.
Make it...

Do you believe in God
Written on the bullet?
Say yes to pull the trigger.
Do you believe in God
Written on the bullet?
And Cassie pulled the trigger.

All heads are bowed in silence
To remember her last sentence,
She answered him knowing what would happen,
Her last words still hanging in the air.
In the air...

Do you believe in God
Written on the bullet?
Say yes to pull the trigger.
Do you believe in God
Written on the bullet?
And Rachel pulled the trigger.

Say yes and pull the trigger...

How many will die?
I will say yes!
And Cassie pulled the trigger.

Do you believe in God
Written on the bullet?
And Rachel pulled the trigger.
Do you believe in God
Written on the bullet?
And I will pull the trigger.
