

# Flyleaf, So I Thought

All your twisted thoughts free flow  
To everlasting memories  
Show soul  
Kiss the stars with me  
And dread the wait for  
Stupid calls returning us to life  
We say to those who are in love  
It can't be true 'cause we're too young  
I know that's true because so long I was  
So in love with you  
So I thought

A year goes by  
And I can't talk about it

On my knees  
Dim lighted room  
Thoughts free flow try to consume myself in this  
I'm not faithless  
Just paranoid of getting lost or that I might lose  
Ignorance is bliss cherish it  
Pretty neighborhoods you learn too much to hold  
Believe it not  
And fight the tears  
With pretty smiles and lies about the times

A year goes by  
And I can't talk about it  
The times weren't right  
And I couldn't talk about it

Choris Romance says goodnight  
Close your eyes and I'll close mine  
Remember you, remember me  
Hurt the first, the last between  
Choris Romance says goodnight  
Close your eyes and I'll close mine  
Remember you, remember me  
Hurt the first, the last, between

And I'm praying that we will see  
Something there in between  
Then and there that exceeds all we can dream  
So we can talk about it

Choris Romance says goodnight  
Close your eyes and I'll close mine  
Remember you, remember me  
Hurt the first, the last between  
Choris Romance says goodnight  
Close your eyes and I'll close mine  
Remember you, remember me  
Hurt the first, the last healing

And I'm praying that we will see  
Something there in between  
Then and there that exceeds all we can dream

And all these twisted thoughts I see  
Jesus there in between  
And all these twisted thoughts I see  
Jesus there in between
