

Foals, 2001

Oh now the sun is up
high in the sky
lost in a sugar rush
violet sky
beachside candy cane
blue tongues in summer rain

Oh my God! Brighton rock!

oh now the sun is up
eyes like the sky
lost in a sugar rush
violet high
no need for novocaine
blue tongues in summer rain

Oh my God! Brighton rock!

I've been waiting all day inside
waiting for a summer sky
when we run wild
we'll come up for air & go under again

oh now the lights come up
your eyes don't lie
blue when you call me up
we all know why!
raspberry candy cane
raspberry candy cane

Oh my God! Brighton rock!

I've been waiting all day inside
waiting for a summer sky
when we run wild we'll
come up for air & go under again
I've been waiting all day inside
waiting for a summer sky
when we run wild we'll
come up for air & go under again
