

# Foetus, Lust For Death

If I ain't back by 5am start phoning round the hospitals  
The memories of all my pearls are pouring out my nostrils  
I'm the one Mother Nature had to recall  
My back back back's against the wall  
Put me out of my misery - I'm dying to get away from it all  
North South Mae West - da boid gets da boid  
I'm shaken but I ain't stoid - I'm gonna carry on undetoid  
I got a LUST FOR DEATH  
Got a lust got a lust got a LUST FOR DEATH  
Libido in Limbo - Legs Akimbo  
Never even ever read a word of Rimbaud  
The walls of my stomach think they're JERICHO  
I'm about to meet my MEXICO  
Make mine a double TEXACO  
I'M THE DEAD DEAD DEAD DEAD DADDIO  
I'se coughin up blood on a nice clean shirt  
Nose eyes ears throat roads are blocked  
Can see the light at the end of the tunnel  
and I'd rather die young than diurnal  
I'm the one Ralph Nader had to recall  
My BACK BACK BACK'S up against the wall  
Put me outa my misery - I'm dying to get away from it all  
North South Mae West - My lips are blue and so am I  
North South Mae West - Gimme a break! LUST or BUST!  
NORTH SOUTH MAE WEST - I maybe shakin but I ain't stoid  
Da boid gets da boid - I mo carry on undetoid  
I BIN HUNG! IBIN HUNG! THROAT CUR MEAT HOOK FROM THE ROOF!  
HUMAN HEIFFER FOR A FILLET VEAL!  
HUGH HEFNER AND A HUMAN MEAL!  
SOMEONE'S MAKING ME A HUMAN MEAL! SOMEONE'S MAKING ME A HUMAN  
MEAL!  
I got a LUST FOR DEATH  
Got a lust got a lust got a LUST FOR DEATH  
Libido in Limbo - Legs Akimbo  
Never even ever read a word of Rimbaud  
The walls of my stomach think they're JERICHO  
I'm about to meet my MEXICO  
Make mine a double TEXACO  
I'M THE DEAD DEAD DEAD DEAD DADDIO
